HORSEPLAY

Toolbox Talks are designed to promote safety discussions and best practices on the jobsite. To see more Toolbox Talks, please visit cat.com/toolboxtalks.

When you are on the jobsite, there is no safe time for a practical joke or horseplay. Playing tricks on other workers can distract them and cause someone to be seriously injured or killed.

HORSEPLAY

STAY FOCUSED

- Don't distract a worker who is performing a job
- Don't startle your fellow worker
- Don't play tricks on young or inexperienced workers. They may become confused and injure themselves or someone else
- Wrestling matches or physical contests of any kind should be held after working hours, not on the jobsite
